Dear Sir/Madam,

Subject: KFC Opening Hours

I own the first floor property at [REDACTED]. I gather that there is an application to extend the opening hours of KFC on Union St till the early hours. I strongly object to any extension to the opening hours beyond the current closing times.

There are several residential flats located above / adjacent to the KFC who are already adversely affected by the noise from the big extraction fan system and the associated smell. There will also be additional spreading of rubbish by sea gulls from the overflowing contents in the existing number of KFC's wheely bins already deployed at Diamond Lane. We don't want all these bad aspects getting even worse!

Kind regards,

[REDACTED]
Mr [REDACTED]
