

Theatre Act 1968  
Renewal of Licence  
At: Riverbank Primary School

I refer to the above and comment as follows.

Whilst not objecting to the granting of the Licence I would highlight that at the time of inspection no record could be found regarding the inspection of the supports for the overhead stage lights, I would therefore ask that confirmation regarding this item is forwarded to myself. [REDACTED]

## LicensingCommittee - Applications for Theatre Licences: Riverbank School and Riverbank School

**Subject:** Applications for Theatre Licences: Riverbank School and Riverbank School

---

Raymond,

are you in a position to provide an update on these applications?

You had responded to both stating that you were waiting on confirmation that the lighting gantry supports etc. had been inspected and were satisfactory. The last time we spoke, you had been liaising with John Muirhead, Clerk of Works.

If we cannot get what we need, then I think I will put both these applications on the agenda for the next meeting of the Licensing Committee as Bucksburn's application is more than a year old.

regards,

Jacqui
