

Requests for Deputations

Item 8.1

Melissa Bain and Claire Forsythe, Seaton Management Committee

This request was submitted outwith the timescales required by Standing Order 10(1), and as such the Committee would need to agree to suspend this Standing Order to hear the deputation.

Item 8.2

1. Paul O'Connor, Inchgarth Community Centre

I would like to refer to the report relating to community centres and in particular raise the issues of (1) maintenance for community centres (2) the lease for all centres and (3) the paragraph within the report which states that centres will have until 28th November 2012 to sign the management agreement if they wish to occupy the building.

2. Alex Mess, Powis Gateway Community Centre

We wish to raise questions about the 1) Building Maintenance Agreement, 2) why Community Centres have been threatened with eviction if they do not sign an agreement before 28th November and 3) why our Lawyer had to wait 2 months for a reply relating to the mediation process.

3. Phil D'Arcy, Wilma Mackland and Brian Allan, Dyce Community Centre and Community Learning Centres Forum
