

ABERDEEN LOCAL LICENSING FORUM

WORKPLAN AS AT 21 June , 2012

Remit of Local Licensing Forums as set out in the Licensing (Scotland) Act 2005 – keeping under review the operation of the Act in the Forum’s area and in particular the exercise by the Licensing Board of their functions including giving advice and making recommendations to the Board in relation to those matters where the Forum considers it appropriate. The Act does not enable a Forum to review or give advice or make recommendations in relation to the exercise by a Board of their function in relation to a particular case. “Case” is taken to mean an application before a Board and in the interests of natural justice is also taken to mean individual licensed premises. The preferred route for consideration of complaints about the running of licensed premises is to write directly to the Clerk or Depute Clerk to the Licensing Board.

The Licensing (Scotland) Act 2005 requires Licensing Boards in exercising any of their functions to have regard to any advice given or recommendations made to them by a Local Licensing Forum and where the Board decides not to follow the advice or recommendation to give the Forum reasons for that decision, the Board must provide copies of relevant statistical information to the Forum as it may reasonably require for the purposes of its general functions.

Licensing Standards Officers have a general function of providing to interested persons information and guidance concerning the operation of the Act, supervising compliance with the Act and the conditions of their licences by holders of Premises Licences and Occasional Licences and mediate between communities and the trade or between any two parties where there is a need to resolve a local problem and develop a local solution. LSOs do not act as “policemen” with regard to licensing but they will liaise with the police and other relevant officials such as Environmental Health Officers in pursuit of the objectives of the Act.

Although information on staffing levels in Scotland may be out-of-date there is no doubt the majority of local authority areas employ more than one Licensing Standards Officer. Meantime the Forum is asked to note that in addition to the Licensing Standards Officer one other officer has been trained in the Licensing Act duties. Other staff have also received elements of LSO training and this should facilitate a more proactive approach in relation to visiting licensed premises. The LSO's Line Manager will continue to monitor her workload which is standard Council practice.</p> <p>At the joint meeting with the Board on 23/4/10 it was confirmed that it will continue to monitor statistical trends in relation to crime and if possible health and other indicators in order to evaluate contributions to the achievement of the</p>
