

INFORMATION NOTE FOR MEMBERS

LATE HOURS CATERING GRANT
MCDONALD'S RESTAURANTS, GARTHDEE ROAD

This application is before the Committee because this meeting is the last before the statutory 6 month time period by which the application has to be determined has elapsed (7 December).

The application is for a late hours catering licence and the hours sought (23.00 to 05.00) are outwith the Committee's guidelines for this location which recommends a terminal hour of midnight.

The premises form part of the Asda store at Garthdee. Asda itself has a late hours catering licence and it is necessary to clarify whether or not the applicant premises form part of the Asda premises for licensing purposes. There has been lengthy correspondence with the applicant's agents which is still ongoing. Further advice will be provided to Members at the Committee meeting dependant on the result of such correspondence.
