LATE HOURS CATERING TEMPORARY GERMAN SAUSAGE UNIT ST NICHOLAS STREET

This application is before the Committee because it is for a temporary late hours catering licence for a kiosk in St Nicholas Street. Whilst the hours sought (23.00 to 02.00) are within the Committee's guidelines for this type of licence (08.00 to 20.00) Members may wish to consider adding conditions to the licence. The kiosk does not have a street trader's licence as it is a fixture which has a rateable value.

The application covers a 6 week period commencing end of November (specific date required).
