HILLVIEW TERRACE
ABIS 9HJ

We have been looking at the plans.
Application No 121504, for the development
at 31 Hillview Terrace. Are you sure
about the porch? There are 36 houses
on Hillview Terrace and not one has got
a porch. When the terrace was built
in 1963/64 you were allowed to build
at the rear of the house but not at
the road front. I would check the
title deeds.
