

## **ENTERPRISE, PLANNING AND INFRASTRUCTURE COMMITTEE**

**19<sup>th</sup> MARCH 2013**

### **INTERNAL WASTE MINIMISATION POLICY – EPI/13/010**

**22.** The Committee had before it a report by the Director of Enterprise, Planning and Infrastructure which proposed that the Council moves to a more sustainable way of managing waste from Council premises and service operations and outlined the requirements of the Waste (Scotland) Regulations 2012.

#### **The report recommended:-**

that the Committee –

- (a) note the contents of the proposed Internal Waste Minimisation Policy, and refers this to the Corporate Policy and Performance Committee for approval;
- (b) instruct officers to establish a plan of waste minimisation actions in 2013 and report back to Committee with an annual review of corporate waste measures;
- (c) approve the actions and timeline for meeting the requirements of the Waste (Scotland) Regulations 2012; and
- (d) instruct officers to refer the Internal Waste Minimisation Policy to the Zero Waste Management Sub-Committee for information.

#### **The Committee resolved:-**

- (i) to approve the recommendations; and
- (ii) that officers be instructed to look at ways of improving recycling collections at schools and community centres.
