

EVIDENTIAL HEARINGS SUB-COMMITTEE (MEDICAL)

ABERDEEN, 28 May, 2013 – Minute of Meeting of the LICENSING COMMITTEE. Present: Councillor Boulton, Convener; and Councillors Ross Grant and Townson.

TAXI DRIVER'S LICENCE (NO. 0192) – SUSPENSION HEARING (MEDICAL)

1. The Sub-Committee had before them correspondence from Serco, the Committee's nominated medical advisor, relating to the holder of Taxi Driver's licence number 0192.

The applicant was not personally present.

The Committee heard from Paul Connolly, Solicitor, Litigation and Licensing.

The Committee resolved:-

to suspend the Taxi Driver's licence, with immediate effect for its unexpired portion on the grounds that by carrying on of the activity to which the licence relates is likely to cause a threat to public safety: and to request that the licence holder attend an appointment with Serco in November 2013.
