SEAFIELD COMMUNITY COUNCIL - CHANGE OF NAME

1. With reference to Article 11 of the minute of meeting of the Policy and Strategy Committee of 10th June 2008, the Council had before it a report by the Head of Democratic Services which sought approval in principle to alter the Council's Scheme of Establishment of Community Councils to the effect that the name of Seafield Community Council be changed to Craigiebuckler/Seafield Community Council.

The report advised (a) that a request had been received from Seafield Community Council to change its name to Craigiebuckler/Seafield Community Council to more accurately reflect the Community Council area; (b) that in terms of Section 53 of the Local Government (Scotland) Act 1973, as amended, a decision of a local authority to review its Community Councils Scheme shall be by resolution passed by not less than two-thirds of the members voting thereon at a local authority meeting specially convened for the purpose with notice of the object; (c) that the matter had been unanimously approved by the Policy and Strategy Committee on 10th June 2008; and (d) that should the Council agree to the amendment, the proposal then required to be advertised in the local press inviting any representation from members of the public, thereafter the proposal, together with any representations received, required to be considered by the Policy and Strategy Committee and finally at an additional special meeting of the Council.

The Council resolved:-

to approve in principle the alteration of the present Scheme for the Establishment of Community Councils to the effect that the name of Seafield Community Council be changed to Craigiebuckler/Seafield Community Council, and instruct the Head of Democratic Services to begin the process for the amendment of the Scheme accordingly.

- PETER STEPHEN, Lord Provost.
