FAO Sue Bruce Chief Executive of Aberdeen City Council
Aberdeen City Council
Town House
Broad Street
Aberdeen
AB10 1AQ

Dear Ms Bruce

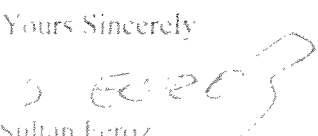

I am writing on behalf of Aberdeen Trades Union Council to apply for financial assistance in order to celebrate St Andrews Day as a liberty day. As you know St Andrew's Day is not only a Scottish national day but also an international event, which we always celebrate as anti racism and fascism in Aberdeen.

This year we hope Aberdeen City Council will participate in the celebration of such an important day and share the burden of the celebration financially as well. The cost of the celebration of St Andrew's Day is as follows:

- Pipe Band £500
- Drummer Band £100
- Cost of street closure in the region of £3000
- Stage and sound system £500
- Refreshments £500
- Advertising £500

Aberdeen Trades Union Council would be most appreciative if you could contribute as much as possible to cover the majority of the costs as it is a national and international day which celebrates Scottish culture.

Yours Sincerely

Sultan Feroz
Secretary
