Dear Mr Clark

Kingswells Community Council wish to object, in the strongest terms, to Planning Applications

No 130405 – Erect 3 non Illuminated Hoardings at West Huxterstone Kingswells

No 130404 – Proposed Erection of Temporary Buildings to House Sales and Marketing facilities to serve Kingswells development.

The masterplan for this development went to Environment, Planning and Infrastructure Committee on the 6th November 2012. The committee decision was taken to try and resolve some of the contentious issues prior to a planning application. We have had no feedback from developers or planning officials since then.

As a community, we do not wish to live with notice boards and a sales office for any length of time prior to a planning application being approved. We do not know how long this will be as the developers cannot sell houses which have not been approved as yet.

Please reject these planning applications until all the issues on the site have been resolved and planning permission has been approved.

Thank you

Kind regards

Barrie Buchan  
Chair  
Kingswells Community Council
