Dear Sirs

**ABERDEEN CITY LICENSING BOARD
LICENSING (SCOTLAND)ACT 2005
STATEMENT OF LICENSING POLICY REVIEW**

I refer to my previous letters to you regarding the above and inviting you to contribute to the Boards consultation on the review of their Statement of Policy.

The Board at their meeting on 8 October considered the responses to this consultation process and a draft review of its Statement of Licensing Policy based on these.

They agreed, in light of the information they had received, that the draft review of the Statement of Licensing Policy should go out for a further short period of consultation to interested parties. This consultation period will last until Tuesday 12 November 2013

I therefore invite you to submit your responses to the Licensing Board by the **the close of business on Monday 11 November 2013**. The Board will then consider any further information and responses they receive at a special meeting to be arranged.

A copy of the draft review of the Statement of Licensing Policy can be found at http://www.aberdeencity.gov.uk/law_licensing/licences/licensing/lic_LiquorInfo.asp and any response can be made to licensing@aberdeencity.gov.uk or Litigation and Licensing at the above address.

Yours faithfully
