				<p>At this meeting there was agreement with the Community Council that council officers would assist and advise the community council so that they can establish and develop a "Friends" group in the Bucksburn and Newhills area. It is anticipated that the proposed friends group would at first consider delivering a number of small local projects and would hopefully, in time, be able to look at more ambitious projects such as utilising the land at Cloverfields for community use. It is planned that the Environment Services Manager will attend a Community Council meeting in early 2014 to advise the Community Council on how to move forward on this project.</p> <p>Recommend for removal</p>
