

KEY:

-  New road
-  New shared use path
-  New landscaping
-  New infiltration trench
-  Area proposed for additional landscaping
-  New surface water drain & new manhole / catchpit
-  Extent of works

NOTES:

1. The whole of the site is contained within land owned by Aberdeen Airport.
2. The new access road will connect to Foinavon Close and will be restricted to buses only.
3. Foinavon Close and the surface water drainage associated with it are not owned or adopted by Aberdeen City Council.
4. Aberdeen Airport has no objection to a surface water drainage connection to Foinavon Close
5. All trees located in or encroaching on the area identified as proposed road will need to be felled or cut back.
