|---|--------------------------------|-----------------|
| The addition of the Economic Development Project director post adds £75k to projected spend during the year but vacancy savings within the service support function will offset this in part. | 36 | 0 |
| Property Costs No significant variances in property costs are foreseen at this stage. | 0 | 0 |
| Administration Costs | | |
| Charges for Roads salaries are included here and recovered through income. Stationery and postage costs within the support function are expected to be below budget. | 1,181 | 0 |
| Transport Costs | | |
| Travelling expenses within the support function are expected to be below budget for the year. | (2) | 0 |
| Supplies & Services | | |
| A number of budgets within the support function including equipment purchase, catering provisions and computer consumables are expected to be underspent during the year. | (15) | 0 |
| Other Income | | |
| Income from Roads consultancy fees amounting to £1.2 million has been added to the outturn in line with the expenditure included within administration costs. Both building fee income and planning application income are expected to be lower than budgeted for due to the prevailing economic conditions, with a combined shortfall of £1.509 million currently being predicted. | 309 | 0 |
