

LICENSING URGENT BUSINESS SUB COMMITTEE

INFORMATION NOTE FOR MEMBERS

TAXI LICENCE (RENEWAL): T342

APPLICANT: TONY ADU

VEHICLE: H4 ADU

This item is on the agenda because:

The application requires to be determined by 28 July 2014 and Fleet Services have advised that to date the vehicle has not passed inspection.

Mr Adu applied for renewal of his taxi licence in January 2014.

In addition, Mr Adu later submitted an application to substitute his vehicle.

The Enforcement Officer wrote to Mr Adu on 31 March. Information had been received that Mr Adu's vehicle had been damaged and he was asked to present it at the Taxi Inspection Centre.

The Enforcement Officer wrote further to Mr Adu on 22 May 2014 informing him that the replacement vehicle was already the subject of another taxi licence and it was not possible to have two licences on one vehicle.

Mr Adu was invited to the Licensing Committee of 1 July by letter dated 10 June 2014

Mr Adu attended the meeting and the Committee allowed him a few more weeks to provide a suitable vehicle and have it successfully inspected.

Following the meeting Mr Adu was written to on 2 July and informed that he had to have a suitable vehicle provided and inspected by 21 July otherwise the matter would have to be considered by the Urgent Business Panel.

He failed to do so and hence a meeting of the Urgent Business Committee is arranged.
