

64 Ashley Rd.

Aberdeen.

AB10.6RT.

21/8/14.

With reference to Planning

Application Ref No. 141026.

How can anyone approve this application - at the moment access is one pot holed single lane track across the 4" fairway of the 9 hole golf course.

But I do not believe this is the total picture.

I think the Town Council want to sell the Hazlehead Golf course complex to private enterprise.

Mr Mennie would seem to be the buyer.

Hazlehead Golf Course as such will disappear and hundreds of expensive houses will be built -

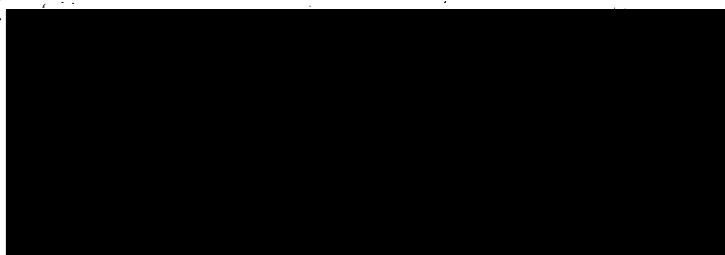

The Hazlehead Golf Course left will not resemble what we know it is as to-day.

It will be a very expensive

Country Club which only a few will be able to afford, not many of the present members.

Please remember the Hazlehead Complex belongs to the citizens of Aberdeen and should be kept as such.
