I am sending this email to you regarding the proposed development to Cafe o'Clay, 122 Broomhill Road. I would like to express my concern about the application for a license to sell alcohol from these premises between 10am and 10pm. There are many houses and flats in very close proximity to the premises, many having young children. There is already a shop nearby which sells alcohol, so I do not see any reason for another.

Also, as I expressed last time I emailed about the proposed development of these premises, the delivery vehicles will struggle to gain access to the rear of the building as the streets are tight as it is. The times of the deliveries also concern me, with noise and also with blocking the streets.

I hope you take all of my concerns and the concerns of others into consideration when the committee meet to discuss this.

Thanks,
