- 3.3 A full review of the Common Good budget has been undertaken in line with priority based budgeting principles.

#### 4. OTHER IMPLICATIONS

#### REPORT

## Introduction

- 5.1 In preparing a draft Common Good budget for 2015/16, the financial strategy approved by the Finance & Resources Committee of 6<sup>th</sup> December 2012 has been applied.
- 5.2 A report on the origin, history and purposes for which the Common Good may be used was prepared on 15<sup>th</sup> January 1976, by the then Town Clerk of the City of Aberdeen District Council. The report outlined the following purposes as meeting the required criteria for the use of Common Good monies: -
  - upholding the dignity of the City
  - the prudent management, upkeep and improvement of Council property which forms part of the Common Good
  - safeguarding the corporate rights of the community and defending its interests
  - granting of donations to public institutions or charities, providing it is in the interests of the general public of the city.
  - any other purpose, which in the bona fide and reasonable judgment of the Council, is for the good of the community as a whole or which the inhabitants at large may share.
- 5.3 It was also outlined that the prime purpose of the Council is to ensure that the Common Good is prudently conserved.
- 5.4 In addition, recent practice has excluded any activity from receiving assistance from the Common Good which Aberdeen City Council or any other public body has a statutory duty to support.

## Projected Out-turn 2014/15

- 5.5 The projected outturn for 2014/15 shows a deficit of £1,095,000 compared with a budgeted deficit of £1,005,000.
- 5.6 The detrimental movement of £90,000 comparing budget to out-turn is primarily due to the unbudgeted commitment for debt charges for the Duthie Park Project.

# **Draft Budget 2015/16**

- 5.7 In developing the draft Common Good budget for 2015/16, input has been sought from those external bodies currently supported by the Common Good and from various Council officers responsible for the different expenditure and income lines.
- 5.8 Rental income is based on projections provided by the Asset Management team within Communities, Housing & Infrastructure.
- 5.9 The draft budget for 2015/16 is provided at **Appendix 1**. The figures assume that £500,000 can be invested in the Loans Fund, thereby generating additional income for the Common Good Fund. If approval is given for this level of expenditure, the balance on the Common Good Fund at 31<sup>st</sup> March 2016 is estimated to be £6.1m. This meets the

requirements of the cash balances strategy approved by the Finance & Resources Committee on 6<sup>th</sup> December 2012 and set out below.

# **Indicative Budgets 2016/17-2019/20**

5.10 The budgets shown in Appendix 1 for the 4 years 2016/17 to 2019/20 are for indication only, and will be reviewed during the 2016/17 budget process, which will focus on improving the outcomes for the people of Aberdeen by transforming services.

# **Cash Balances**

- 5.11 Based on the budget projections for 2015/16, there are projected cash balances of £6.1 million as at 31<sup>st</sup> March 2016.
- 5.12 The strategy for cash balances for the Common Good Fund is to limit expenditure to a level which will allow for working balances to be maintained to a point whereby two years' worth of future Common Good expenditure could be met if required.
- 5.12 Current draft budgeted expenditure for the two year period 2016/17 and 2017/18 totals £6.09m. Given the estimated budgeted balances on 31<sup>st</sup> March 2016 of £6.1m, the requirements of the strategy are met and the budget is fully committed for 2015/16.
- 5.13 Committee will note and be mindful that it is the duty of the Council as trustees of the Common Good to ensure that the cash balances are maintained, and that the Common Good is preserved for future generations.

### 6. IMPACT

6.1 It is essential that the value of the Common Good is preserved in such a way as to allow it to continue to be able to support in the long term an extensive portfolio of activities, projects, services and events.
