Dear Sirs

**Aberdeen City Licensing Board**  
**Application for Variation (Major) – Staging Post, 16 Oldmeldrum Road, Bucksburn, Aberdeen**

Please accept this letter as my written objection to the extension of opening hours on the grounds that the area surrounding the Staging Post is mainly residential and noise is generated by customers leaving the premises when they close. My family feel it unfair to be disturbed at the even later hour of 1.00am.

I have spoken to the residents who stay directly opposite the Staging Post and they have spoken about the disturbances outside at weekends. They confirmed to me that they would be objecting also.

Yours faithfully
