6. IMPACT

Developing members in the area of the governance and scrutiny of arms length external organisations (ALEOs) should lead to an improvement in the governance and decision making in this area. Developing members' roles in the Audit and Risk Committee will strengthen the scrutiny and risk management arrangements of Council.

7. MANAGEMENT OF RISK

The recommendations address the risks identified in the report "Roles and Responsibilities – Is Aberdeen City Council Getting It Right?" and aim to reduce risk relating to ALEOs.

It is important that members are in a position to properly scrutinise committee papers and have a clear understanding of their responsibilities around risk management. This report seeks to address this and improve members' confidence and competency in these areas.
