EXPLANATORY NOTES.

1. The Council is required to set a maximum amount that can be charged for journeys in taxis and private hire cars fitted with taximeters which it licences. Fares are reviewed at regular intervals to take into account of the operational costs of the vehicle and the driver's time, to allow the operator to make a reasonable return and to encourage the operation of taxis. There is opportunity for the public and trade to participate in the setting on the levels of fares proposed and taxi operators have the right to appeal against the tariff set down by the Council before it comes into operation.
2. Please note that a taxi driver is not required to take you on a journey ending outside the city boundary. Typical Destinations in the City – Aberdeen Airport, Bridge of Don, Cove, Dyce, Kingswells and Peterculter. Outwith the City – Banchory, Blackburn, Ellon, Kemnay, Kintore, Inverurie, Oldmeldrum, Portlethen, Stonehaven and Westhill. If the driver does agree to take you outwith the city, these maximum fares do not apply and it is up to you to reach agreement with the driver as to the fare. You should do this before you start.
3. If you have booked a taxi to arrive at a particular time and keep it waiting, the driver can start the meter running once he has made his presence known to you and you can be charged at the maximum waiting time rate shown on the tariff.
4. The taximeter contains an electronic clock and calendar and calculates the correct fare based on the date, time of day and distance travelled. If the vehicle's speed falls below a predetermined speed, the taximeter will automatically switch over from calculating the fare based on the distance travelled to a calculation based on the time spent in the vehicle. You will be able to see the fare mounting up on the taxi meter as the vehicle goes along.
5. The driver is required to take you to your destination by the shortest practicable route.
6. The maximum fare you are required to pay is the sum calculated in accordance with the tariff overleaf.
7. Please note that - (1) The fare payable may differ for the same journey on different days if the taxi has been held up in traffic and (2) a very short journey may be relatively expensive, due to the way the meter works. The fare will also vary depending on whether the trip was during the evening, early Saturday or Sunday morning or during certain public holidays.
8. If you are asked to pay VAT on the fare, please ask for a proper VAT receipt.
9. It is up to you to decide whether you wish to give the driver a tip.
10. It is a criminal offence for you to take a taxi journey without having the money to pay for it.
