

H-1214.

Dear Mrs O'Hara,

I write to urge you not to grant an Off Sales Licence to Café-o'Alley from 10am to 10pm at 122 Broomhill Road seven days a week.

The road is in a densely populated area, and carries a traffic load, which frequently creates serious congestion and risk to pedestrians. To add still more 'users', to a property which has virtually no space for vehicle parking, will create a substantial increase in difficulties. This would be

compounded by the increased  
'usage' of the area into the  
later part of every evening.

I hope these comments will  
enhance the determination of  
Absecon City Council that  
the project should not go ahead.

Yours sincerely,
