Subject: Proposed supermarket development

Good Morning

I had previously welcomed the council decision to refuse planning permission for the proposed supermarket development at 122 Broomhill Road, only for Edinburgh to overturn the decision on appeal. So much for local authority ! Recently we have learned that there is now an application for a alcohol licence pending. Do the right thing and refuse the application. There are many reasons for refusing and we have 2 huge supermarkets in the area and a number of smaller ones, all selling alcohol, why do we need another ?
