LICENSING POLICY STATEMENT

6 CONDITIONS ATTACHING TO LICENCES

6.5 The Board has devised a number of local conditions which may be attached to premises licences.

Drugs Policy

It is a condition that the licence holder has in place and enforces the drugs policy formulated by Police and attached hereto and displays a notice to the effect that such a drugs policy is in operation at the premises.

The applicant has agreed to the imposition of a local condition in respect of the drugs policy.

LICENSING OBJECTIVE – PROTECTING CHILDREN FROM HARM

28.1 The Board wishes to see child safe premises thriving in the city. It welcomes applications from those who wish to operate licensed premises which accommodate children and families. In determining any such application the risk of harm to children will be paramount.

28.2 Where applicants wish to operate such premises, the Board expects them to appreciate that this places additional responsibilities upon them at the same time as recognising that parents and other adults accompanying children also have responsibilities.
