

Appendix 1

The following maps show the distribution of roe deer records that have been submitted to North East Scotland Biological Records Centre.

These are mainly casual records submitted by local naturalists and are not a systematic survey of the distribution of roe deer across Aberdeen.

Roe Deer Records 2010

Roe Deer records 2011

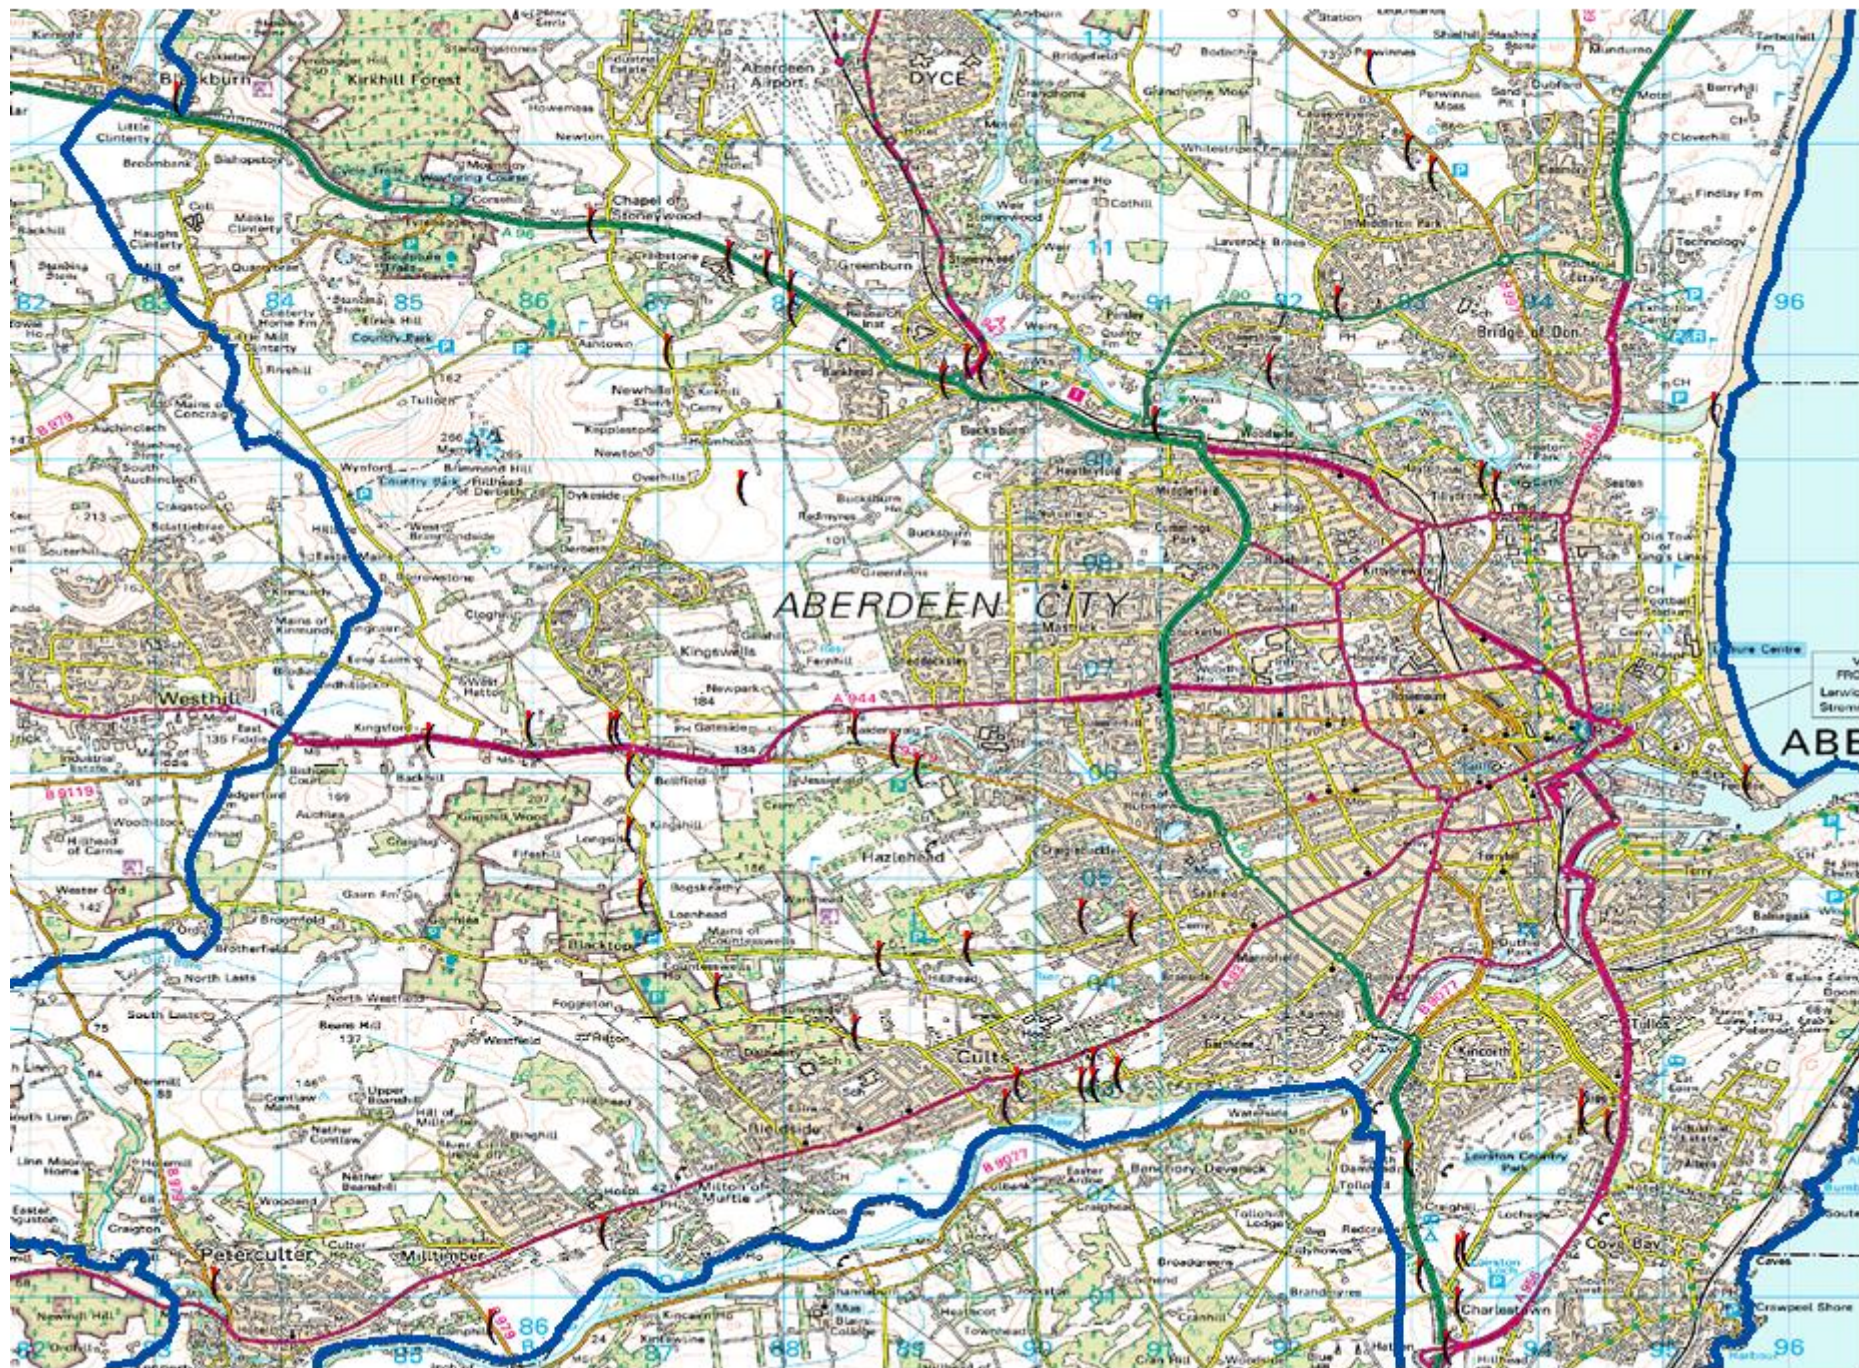

Roe deer records 2012

Roe deer records 2013

Roe deer records 2014

Roe Deer records 2015 January - May

Roe Deer road kill records 2014-2015
