## APPENDIX C

### Grading of Recommendations

<b>GRADE</b>	<b>DEFINITION</b>
<b>Major at a Corporate Level</b>	The absence of, or failure to comply with, an appropriate internal control which could result in, for example, a material financial loss, or loss of reputation, to the Council.
<b>Major at a Service Level / within audited area</b>	The absence of, or failure to comply with, an appropriate internal control which could result in, for example, a material financial loss to the Service/area audited.  Financial Regulations have been consistently breached.
<b>Significant within audited area</b>	Addressing this issue will enhance internal controls.  An element of control is missing or only partial in nature.  The existence of the weakness identified has an impact on a system's adequacy and effectiveness.  Financial Regulations have been breached.
<b>Important within audited area</b>	Although the element of internal control is satisfactory, a control weakness was identified, the existence of the weakness, taken independently or with other findings does not impair the overall system of internal control.
