8th November, 2015

Dear Sirs,

The Co-operative Food Premises  
North Deeside Road, Peterculter

I refer to the above in respect of an  
off sales alcohol licence:

- 1) nearby business premises selling  
alcohol already number three
- 2) it will be detrimental to the post;  
office's business which the village can  
ill afford to lose
- 3) pub business is already negatively  
affected by people choosing to  
purchase liquor from food stores
- 4) there are two pubs in the  
immediate area

Should a licence be granted,  
I would hope that the evening  
hours proposed would be reduced.

Yours faithfully,
