Subject: Occasional licence application x 2 - Winter Village Walk Up Bars 1 and 2

With reference to the above Occasional licence application, I have no objection but would recommend the following conditions. Tara has discussed these recommendations with John Codona

1. Adequate stewarding in place
2. Personal licence holders in place - various numbers throughout the Event
- 3 Training declarations and Personal licences to be located on site. If personal licence holders work at multi stations then copies of personal licences are acceptable (colour copies).
6. Challenge 25 posters - guidance provided to have displayed – best Practice
7. Section 110 displayed at each bar
8. Children/Young persons not permitted near the bar counter – a sign to inform customers is best practice
