Dear Sir

**Vue, The Lighthouse Cinema, 10 Shiprow, Aberdeen, AB11 5BW**

Further to my telephone conversation with Jackie Wallace please accept this letter as instruction that the above premises want to extend their cinema licence hours for a 24 hour period from the 16<sup>th</sup> December 2015 to 6<sup>th</sup> January 2016. This will be required for the showing of Star Wars – The Force Awakens.

We have been told that this may not be granted from the 16<sup>th</sup> December 2015 as you require 14 days notice which we have unfortunately not given.

However, if any of the above dates from the 16<sup>th</sup> December 2015 to the 6<sup>th</sup> January 2016 can be given that would be much appreciated.

If you require in any further information then please contact me.

Yours faithfully

**Poppleston Allen**
