LICENSING POLICY STATEMENT

Paragraph 6 – Conditions Attaching to Licences

6.5 The Board has devised a number of local conditions that may be attached to premises licences.

1. The following condition will be attached to all off-consumption premises licences unless there is cause shown why this should not be the case:

CCTV

The licence holder shall provide sufficient internal and external CCTV coverage of the premises to meet the current technical requirements of the Police Service of Scotland as detailed in Aberdeen City Licensing Board's Statement of Licensing Policy. (all off-sales are however exempt from 4.2 relating to lip sync capability at entrance and exit doors)

The applicant has agreed to the imposition of the CCTV condition.
