NOT PROTECTIVELY MARKED

Many thanks for including ourselves in the message. I had no reply to my email.

I have concerns that they are still thinking about 19th due to the uncertainty with the Traffic Management.

I have forwarded this to my Inspector for his awareness.

Speak soon,

Julie

Holly,

Thank you for getting in touch.

As time is getting on, I really require further information about what the proposals are regarding the traffic management arrangements and who you are proposing to use?

If I have not received a satisfactory response by 25 February 2016, the matter will have to be considered by the Licensing Committee at its meeting on 8 March 2016.

Regards

Arlene Dunbar

Hi Arlene,

Sorry for the lateness of this reply, I have been snowed under with organising an event which was on Wednesday Evening and haven't been in the office or have had access to emails.

The committee have decided to go ahead with the 19th of March for various reasons. I think we may have come to a decision as to what is happening with road closures – I will send confirmation as soon as possible, but for the time-being the parade is still being scheduled for the 19th of March.

I am out of the office again today but can call first thing Monday morning if there is anything pressing.

Many Thanks and apologies again.

Importance: High

Holly,

I refer to our meeting regarding the above and I recall that you were to meet with your committee and come back to me by last Friday (12 February) . As a matter of urgency can you please advise how you wish to proceed with notification and the proposed procession so that we can try to come to some agreement that is acceptable to everyone.

I would remind you that the option is still available to you to discuss the matter at the Licensing Committee meeting on 8 March 2016.

Regards

Arlene
