28 LICENSING OBJECTIVE – PROTECTING CHILDREN FROM HARM

28.1 The Board wishes to see child safe premises thriving in the city. It welcomes applications from those who wish to operate licensed premises which accommodate children and families. In determining any such application the risk of harm to children will be paramount.

28.2 Where applicants wish to operate such premises, the Board expects them to appreciate that this places additional responsibilities upon them at the same time as recognising that parents and other adults accompanying children also have responsibilities.
