Comment for Planning Application 160422

Comment : I object to this application to move the existing bus stop that serves the majority of Milltimber and is currently opposite a pedestrian crossing. The existing bus stop is used by school children and elderly visiting Tornadee home the proposed new location has no pedestrian crossing and is further away from the village. This application is only to serve the new houses a minority and is pulling facilities away from the main body of the village. The proposed site is unsafe without a pedestrian crossing. Anyone who uses the North Deeside Road is aware of the speed traffic travels - it will only be a matter of time before someone is knocked down.
