

Comment for Planning Application 160376

Name : Louise Mackie

Address : 28 Ashwood grange

Bridge of Don

Aberdeen

Telephone :

Email :

type :

Comment : I strongly object to the proposed application due to the following reasons:

- The look of the building is not in keeping with the surroundings
- There is inadequate parking on this site
- There will be an increase in traffic which is right across from the primary school
- Loss of green space and public path
