

7- EHRIA Summary and Action Planning

Report Title	Business Case for establishing an Energy Service Company			
Assessment not required	<p>Evidence This EHRIA has been undertaken on a high level business case which if approved will proceed to a detailed business plan at which case equality issues will be considered in more detail. At this stage no data or consultation has taken place in relation to equality issues. However the proposal is that the ESCo would provide affordable heat and power which would benefit those citizens in fuel poverty which includes in many cases the old and disabled. Staff will need to be recruited to the ESCo which should be undertaken in line with ACC equality procedures.</p>
