children and families. In determining any such application the risk of harm to children will be paramount.

## **16 ADULT ENTERTAINMENT**

The Board is concerned at the growth of premises offering adult entertainment in the city. Applicants should be aware of the statutory definition of adult entertainment contained in SSI 2007/336 (1) (2)(a) and (b). The Board reserves the right to give this provision a wide interpretation.

The Board will particularly expect applicants who propose to offer adult entertainment to give consideration to the promotion of the licensing objectives, in particular those relating to the protection of children, the prevention of crime and disorder and the prevention of public nuisance.

Where premises licence applications include adult entertainment in the planned activities, the Board will have particular regard to the location of the premises in relation to places of religious worship, schools, youth clubs or other places where significant numbers of children or young people are likely to congregate. The Board however is mindful that any decision must relate to the sale of alcohol and the licensing objectives.

The Board recognises the potential for exploitation, abuse and human trafficking

associated with the sex industry. With that in mind, the Board will add local conditions to the effect that those who operate premises providing adult entertainment must maintain a register of performers, including their date of birth and address and a photograph and make this available at any time for the Police to inspect without warrant.

The Board will expect licence holders to ensure that performers, while outside the premises smoking, do not cause a nuisance to neighbouring residents, businesses and/or the public.
