

To MR MILLAR

I wish to raise objection  
to the building of Student  
flats. The height of the  
building will block out  
daylight and sun of our  
home and drying green.  
Also the noise of the  
Student's from our bedroom  
window. We will be  
outnumbered by 47' tenants  
to hundred 21 Students.  
will not be able to see the  
building.
