## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:Our household object to this applicacation on the basis of the noise pollution from such a new large scale outdoor seating area. Had the scale been smaller (i.e. to seat much fewer patrons than 32) or the operation hours been more inline with business hours we may have felt less strongly about this. I have too concerns for my neighbours privacy which would be affected by this proposed developement.
