Dear Ms Mann

Application Ref: 161003/DPP
66 Tillydrone Avenue, Aberdeen, AB24 2TN

We wish to object to the proposed HMO at 66 Tillydrone Avenue on the grounds of restricted parking around the above address as it is congested enough already with parking restrictions in and around the area. Also as it is in a conservation area and in a family orientated community this proposal will affect the area in general with possible noise.

We hope you will give this matter serious consideration as it is causing much concern among the residents concerned.

Yours faithfully

ALAN G WISEMAN
ELIZABETH M WISEMAN
