

SUBMISSION OF LATE REPORT

NAME OF COMMITTEE : Licensing Committee

DATE OF COMMITTEE : 13 December 2017

TITLE OF REPORT : Taxi Fare Review

Reason for late submission of report (to be completed by report author)

Taxi fare review proposal report was heard by the Licensing Committee on 25 October 2016.

The proposal then went out for public consultation. The end of the public consultation date was

Fixed for 02 December 2016, therefore this final Taxi Fare Review Report missed the Agenda

deadline.

Reason why Convener is requested to consider accepting report as a matter of urgency / why the matter cannot wait for a future meeting (to be completed by report author)

The date for altering the taxi meters to reflect the increase on the Airport charges has been

provisionally booked for 23/24 January 2017. If the Report is not heard until 07 February

Committee these dates will have to be changed and re-advertised.

Reason why Convener / Vice Convener has agreed to accept the report (to be completed by Convener / Vice Convener)

*Happy to accept as late paper due to
consultation deadline & need to change taxi
meters.*
