Comment Reasons:

Comment: Because I believe that the cafe already has approval to operate between the hours of 8am and 11pm, I am concerned that if approval is given, occupation of the pavement might take place into the evenings without restriction. I oppose the development on the grounds that it will bring noise disturbance to the area, it will result in an increase in litter on our streets and pavements and I fear that it may create an increase in herring gull activity to the detriment of our neighbourhood.
