Dear councillor

I have read your letter and I am surprised that people in the area do not want the facility enhanced

I would wholeheartedly support the proposal we need to make sure areas have a focal point

As regards the noise I am out with my dog most mornings when there deliveries and the vans have not increased at and the same deliveries go to the paper shop and the cafe as they always did

In fact I would go as far as saying it is quieter as the wood floor shop has moved to mid mar so a vast reduction in vans and banging and clattering

I would say we need encourage businesses to increase there revenue and ambiance

Please support the application

I stay at 43 Whitehall Road Aberdeen and use both shop and cafe for goods and often use cafe for business meetings and encourage others to do so

Thanks and Regards
