Licensing (Scotland) Act 2005
Application for Variation of Premises Licence
Address: Moonfish Cafe, 9 Correction Wynd, Aberdeen, AB10 1HP
Applicant: Fishmoon Limited

I refer to the above and I would like to make the following representation.

The application submitted is for a variation of premises licence to vary the operating plan in order include Receptions/Club Meetings, Live Performances, Dance (ad hoc receptions etc.. only no dedicated dance floor) and amend the children and young persons access terms.

I have no comment regarding the additional activities. However, with regard to the access terms for children and young persons, in addition to access to attend a function to the end of the function or core hours, I would recommend that the following wording is included – "for the purpose of consuming a meal". This will ensure that children and young persons access the restaurant, accompanied by an adult either for the purposes of consuming a meal within core hours or until the end of the function.
