To whom it may concern

**Permission to exhibit unclassified locally produced short clip/advertisement**

I write to formally obtain permission to exhibit 'Stagecoach' a 2 minute short clip/advertisement produced by Northsound Radio on behalf of Stagecoach to promote the Stagecoach App.

The short clip shows a local man using the old style bus route maps to check bus times for visiting the hospital then him being introduced to the new Stagecoach App and how user friendly it is. Due to the nature of the clip I am seeking an U certificate.

Please find enclosed USB drive with the short clip for your review.

Please let me know if you require any further information.
