

Education and Children Services

Our vision is to keep the children, young people and communities of Aberdeen safe, healthy and thriving. We aim to give the children of Aberdeen the best start to life and act as a champion for all children and young people, particularly vulnerable children and young people. The wellbeing of the child is at the heart of all that we do. We are committed to Getting It Right For Every Child (GIRFEC) by working together and ensuring that we take a co-ordinated approach to guarantee we deliver appropriate help to all children and families when they need it.

We aim to reduce inequalities in educational outcomes and raise attainment. We support lifelong learning to enable and empower the people of Aberdeen to fulfil their potential and contribute to the social, cultural and economic prosperity of our city. This Directorate seeks to enhance the learning experiences of our citizens by delivering a range of high quality arts, heritage and cultural services.

The realisation of our vision depends on engaging our workforce and our ability to listen and respond to the needs of our customers. To achieve this we are committed to investing in our staff to ensure we have a workforce that is motivated, professional, skilled and resilient. In order to continually improve the delivery of our services we will actively listen to our customers and stakeholders to support and address their changing needs.
