LICENSING POLICY STATEMENT

19 OUTSIDE SEATING AREAS

19.2 The Board will expect any licence holder who intends to provide outside seating, tables, or other outside facilities to hold a licence which includes the outside area and to have the necessary planning permission. Where the premises do not currently include such an outside area the Board will expect licence holders to vary the licence. Applicants, who propose to provide outdoor areas, should ensure that their use will not cause disturbance or nuisance to the occupiers of other premises in the vicinity. The Board may impose where necessary local conditions such as the provision of CCTV camera(s) to assist in the management and control of such areas and in support of the licensing objectives. These areas should be shown on the layout plan
