Please note that if any changes are made to this minute at the point of approval, these will be outlined in the subsequent minute and this document will not be retrospectively altered.

MINUTE OF MEETING OF THE PLANNING DEVELOPMENT MANAGEMENT COMMITTEE OF 25 MAY 2017

1. The Committee had before it the minute of its previous meeting of 25 May 2017 for approval.

With reference to article 6 (Land of Bay of Nigg – Partial Approval of Matters Specified in Condition 4 (Temporary Visitor Centre) of PPIP 151742 (Aberdeen Harbour Expansion Project), Andrew Miller, Senior Planner provided details of the opening hours for the visitor centre as follows:-

- Monday to Friday (by appointment only); and
- Saturday – 10.00am to 3.00pm (open to the public)

He advised that there was also a willingness from the developer to participate in the Doors Open Day. The above information would be advertised within a Newsletter and the Community Liaison Officer would also contact stakeholder groups and organisations.

The Committee resolved:-

- (i) to note the information provided; and
- (ii) to approve the minute as a correct record.

109 HILTON ROAD – SUB-DIVISION OF RESIDENTIAL CURTILAGE AND ERECTION OF DWELLING HOUSE – 170414

2. The Committee had before it a report by the Interim Head of Planning and Sustainable Development, **which recommended:-**

That the application be approved, subject to the following conditions:-

CONDITIONS

PLANNING DEVELOPMENT MANAGEMENT COMMITTEE

15 June 2017

- (1) Details of the specified matters listed below shall be submitted for consideration by the planning authority, in accordance with the timescales and other limitations in section 59 of the Town and Country Planning (Scotland) Act 1997 (as amended). No work shall begin until the written approval of the authority has been given, and the development shall be carried out in accordance with that approval.

Specified matters:

- (a) Details of existing and proposed site levels;
- (b) Full details of the layout and siting of the proposed development, including all buildings, ancillary structures, storage areas for waste and recyclables and hard and soft landscaped areas. For the avoidance of doubt, the front and rear elevation of the dwellinghouse shall not extend beyond that of the existing dwelling at 109 Hilton Road as per the footprint indicated on drawing 1SS;
- (c) Full details of the design, external appearance and finishing materials of the proposed dwelling. For the avoidance of doubt, the eaves height and the ridge height of the new dwelling shall not be higher than that of the existing dwelling at 109 Hilton Road;
- (d) Full details of proposed boundary treatments;
- (e) Full details of the proposed means of pedestrian, cycle and vehicular access to the development, including parking and vehicle turning areas. For the avoidance of doubt, these details shall also include surfacing materials;
- (f) Full details of proposed tree protection measures, including a tree survey, arboricultural impact assessment and tree protection plan setting out any measures to the overhanging branches of the beech trees on the amenity ground to the west;
- (g) Full details of proposed measures to reduce carbon dioxide emissions.

Reason: Permission for the development has been granted in principle only and subsequent approval is required for these matters in accordance with Section 59 of the Town and Country Planning (Scotland) Act 1997 (as amended).

- (2) With respect to the terms of condition 1(g), an Energy Statement must be submitted to and approved in writing by the Local Planning Authority, including the following items:
- (a) Full details of the proposed energy efficiency measures and/ or renewable technologies to be incorporated into the development;
 - (b) Calculations using the SAP or SBEM methods, which demonstrate that the reduction in carbon monoxide emissions rates for the development arising from the measures proposed will enable the development to comply with the Council Supplementary Guidance Resources for New Development.

PLANNING DEVELOPMENT MANAGEMENT COMMITTEE

15 June 2017

The development shall not be occupied unless the details have been carried out in complete accordance with the details as so agreed in the Energy Statement.

Reason: To ensure the development complies with the on-site carbon reductions required in Scottish Planning Policy, Policy R7 of the Aberdeen Local Development Plan and the Council's Supplementary Guidance.

The Committee resolved:-

to approve the application conditionally.

LAND ADJACENT TO 11 BAILLIESWELLS ROAD – ERECTION OF DETACHED HOUSE WITH ASSOCIATED ACCESS AND LANDSCAPING – 170221

3. The Committee had before it a report by the Interim Head of Planning and Sustainable Development, **which recommended:-**

That the application be approved, subject to the following conditions:-

CONDITIONS

(1) That no development pursuant to the planning permission hereby approved shall be carried out unless there has been submitted to and approved in writing for the purpose by the planning authority a further detailed scheme of landscaping for the site, which scheme shall include indications of all existing trees and landscaped areas on the land, and details of any to be retained, together with measures for their protection in the course of development, and the proposed areas of tree/shrub planting including details of numbers, densities, locations, species, sizes and stage of maturity at planting.

Reason: In the interests of the amenity of the area.

(2) No materials, supplies, plant, machinery, spoil, changes in ground levels or construction activities shall be permitted within the protected areas specified in the aforementioned scheme of tree protection without the written consent of the planning authority, and no fire shall be lit in a position where the flames could extend to within 5 metres of foliage, branches or trunk.

Reason: In order to ensure adequate protection for trees adjacent to the site during the construction of the development.

(3) The development shall not be occupied unless the driveway and turning area hereby granted planning permission has been constructed, drained and laid out in accordance with the plans hereby approved, or such other drawing as may subsequently be submitted and approved in writing by the planning authority. Such area shall not thereafter be used for any purpose other than

PLANNING DEVELOPMENT MANAGEMENT COMMITTEE

15 June 2017

the purpose of the parking/turning of vehicles ancillary to the development and use thereby granted approval.

Reason: In the interests of public safety and the free flow of traffic.

- (4) That notwithstanding the provisions of Article 2(4), Schedule 1, Part 1, Classes 1A, 1B, 1C, 1D, 3A and 3B of the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 as amended by the Town and Country Planning (General Permitted Development) (Scotland) Amendment Order 2011, no extensions, alterations or improvements which materially affect the external appearance of the dwellinghouse, nor any means of enclosure shall be erected or carried out either on, or in the curtilage, of the dwellinghouse hereby approved without a further grant of planning permission from the planning authority.

Reason: In the interests of visual amenity.

- (5) Prior to commencement of development, details are to be submitted to the Planning Authority for approval which demonstrates that the hereby approved building will be constructed to an energy efficiency standard which meets the terms of the 'Resources for New Development' Supplementary Guidance. Once approved, the building shall not be occupied until all proposed works have been carried out to meet the agreed energy efficiency standard.

Reason: In order to ensure that the development complies with the 'Resources for New Development' Supplementary Guidance.

- (6) Prior to commencement of development, details of water saving technologies/techniques in line with the expectations of the 'Resources for New Development Supplementary Guidance' shall be submitted to the Planning Authority for approval. Once approved, they shall be implemented in full prior to occupation of the dwellinghouse.

Reason: To minimise dependence on water from the River Dee and to ensure compliance with the Council's Resources for New Development Supplementary Guidance'.

- (7) Prior to occupation of the hereby approved dwellinghouse, the proposed SuDS scheme shown on drawing no. 16-05-01/01-27 shall be implemented in full and retained in-situ for the lifetime of the development.

Reason: To ensure the development does not give rise to any undue localised flooding in the interest of local residential amenity.
