Importance: High

Good afternoon,

As per previous years is it possible to arrange the usual concessions for taxi licensing during Offshore Europe week 2017. I think I have covered them below.

1. All Airport Taxis able to pick up from the rank that is being created at the AECC (from 1st Sept 2017 – 10th Sept 2017 – midnight)
2. If there are members of the public waiting at City Centre Ranks then Airport Licenced Taxis are permitted to pick up (this does not affect the normal midnight – 5am Saturday & Sunday).

Once this has been done is it possible to send out a letter from ACC to all Taxi Drivers letting them know (please can the letter go to the drivers and not the plate holders so that it is conveyed to the whole trade).

Regards

Graeme McColl
